Mr. Willie Riddick,
919 Faulkland St.,
Norfolk, Va.

Dear Willie:

I am writing to see if you can be of any assistance to me in helping to get some games arranged for the Eagles and Black Yankees down in your neighborhood. I am writing you instead of Brady Johnson, because I am afraid he would not want our teams in there instead of his own.

I have looked over the schedule to find these dates I am asking for that the teams are away from home, and the Parks will be available if they care to rent them to us. On Sunday, June 25th I am trying to get Jersey City, N. J., but if I am not successful I would like to come into Norfolk that day. If we play in Norfolk on the 25th I would like to be in Durham on the 26th and 27th, back in Norfolk on the 28th, in Portsmouth on the 29th at night, and Richmond on the 30th at night.

If we get in Jersey City on the 25th we will of course not be able to reach Durham by the 26th, but I doubt if we will be able to get Jersey City. I will let you know in the next few days, in the meantime I wish you would get to work and see if we can have the Parks for these days.

I hope you are feeling well. Give my regards to everyone.

Yours very truly,
